**NEW ELECTION SYSTEM PROPOSED FOR THE OCEANSIDE UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD**

**Did you know?**

A change in the way school board members are elected has been proposed by the Oceanside Unified School District Governing Board. The San Diego County Board of Education is holding a public hearing on the proposal.

**Why is this important?**

A change in the election system would affect the way you are represented on the school district's governing board for years to come.

**What is the change?**

Under the new election system, the district would be divided into geographic areas, and one board member living in each area would be elected by the voters who live in that area.

**How can you get involved?**

The County Board of Education is seeking input from the community on the proposed change to by-trustee-area elections and trustee area boundaries.

To learn about these changes and to express your opinion, you are invited to attend a public hearing conducted by the County Board of Education. Your input is welcome and strongly encouraged.

**When is the public hearing?**

**Aug. 17, 2017, 6 p.m.**

Oceanside Unified School District Board Room —  
District Office  
2111 Mission Avenue  
Oceanside, CA 92054-2395
