

Science Field Day – Non Competitive Events

1. Non-competitive events may be 30 / 45 or 60 minutes in length.
2. Presenters need to provide all the necessary materials. Count on 25-30 students per session.
3. Events are scheduled starting at 9:00 AM and the final session must be done by 1:30.
4. Presenters may have as many sessions as you like.
5. Please make sure the classroom assigned is left in the same condition or better than when you arrived.
