The County Superintendent of Schools shall provide student services which are essential to accomplishing the goals of the San Diego County Office of Education. Student services support the schools and programs operated by the County Superintendent of Schools.

The major student services functions are as follows:

- ! Meet legal responsibilities of the County Board of Education and County Superintendent of Schools.
- ! Provide leadership and guidance to establish the educational services offered to students.
- ! Cooperate with the juvenile court system and County Probation to provide services to students in the court and community school program.
- ! Establish and maintain regional student services through educational programs such as special education, court and community school programs, regional occupational program (ROP), migrant education, and outdoor education.
- ! Provide mandated and authorized services on a countywide and/or regional basis for the students in schools and programs which are consistent, efficient, and cost-effective.
- ! Provide for the placement of district students in appropriate educational programs through special education, court and community school programs, regional occupational program (ROP), migrant education, and outdoor education.
- ! Determine fair and effective practices, rules and regulations regarding student attendance, conduct, and welfare.
- ! Direct the instruction, guidance, and discipline of students in San Diego County Office of Education schools and programs.
