**REVISED:**

**SUBJECT: Married/Pregnant/Parenting Students**

**PAGE: 1 of 1**

---

The County Superintendent of Schools believes that pregnancy and parenting are not barriers to education or a reason for a student to drop out of school. Rather than ending the student's need for education, pregnancy and parenting increase the need to cope with adult responsibilities and to prepare for an economically self-sufficient future. Educational opportunities may be provided to married, pregnant, and/or parenting students in schools and programs operated by the County Superintendent of Schools.
