PAGE: 1 of 1

The County Board of Education acknowledges school-community associations such as the California Parent Teachers Association (PTA) and school/business partnerships are an integral network linking with the school community to promote and advance educational opportunities for the children and youth of California.

The County Board of Education encourages the County Superintendent of Schools to promote the active involvement of parent, business, and community associations to bring more resources into the classroom and to more efficiently deliver educational services to the children and youth throughout San Diego County.
