REVISED: 8/10/16
REVIEWED: 8/10/16****SUBJECT: Hazard Communication Program****PAGE: 1 of 1**

The County Board of Education and the County Superintendent of Schools are dedicated to providing a healthy and safe work environment for all employees of the County Superintendent of Schools. It is recognized that potentially hazardous substances may be required to be used in the routine operations of the offices, schools, and programs under the jurisdiction of the County Superintendent of Schools.

The County Board of Education directs the County Superintendent of Schools to maintain and monitor the implementation of a written *Hazard Communication Program* that provides for employees to receive information and training about hazardous substances in the workplace in accordance with state and federal laws.
