The County Board of Education recognizes that student services are essential to accomplishing the mission of the San Diego County Office of Education to meet the educational needs of students. Student services support the schools and student programs operated by the County Superintendent of Schools and provide mandated services to meet the legal responsibilities of the County Board of Education, County Superintendent of Schools, and other local public agencies.

The County Board of Education directs the County Superintendent of Schools to:

- ! Provide a comprehensive academic program to challenge all students.
- ! Manage financial resources to meet the legal responsibilities of these offices for schools and student programs.
- ! Administer the prudent expenditure of revenues to provide excellent educational services to students in the schools and programs of the County Superintendent of Schools.
- ! Advocate for and secure the additional sources of revenue which will secure adequate long-term support for quality student programs and services.
