SUBJECT: School Day

PAGE: 1 of 1

The County Board of Education and the County Superintendent of Schools recognize instructional time is a critical element in student learning. It is required that program administrators ensure all students enrolled in schools and programs operated by the County Superintendent of Schools are scheduled for sufficient instructional time to meet or exceed the minimum day requirements.

The school day shall be arranged and scheduled by the program administrator so as to offer the greatest return educationally for the time spent, within the limitations of school facilities and requirements of state law and regulations.
