SUBJECT: School-Sponsored Trips

PAGE: 1 of 1

The County Board of Education recognizes that school-sponsored trips are important components of a student's development. Besides supplementing and enriching classroom learning experiences, such trips encourage new interests among students, make them more aware of community resources, and help them relate their school experiences to the outside world.

The County Board of Education directs the County Superintendent of Schools to develop and implement procedures governing school-sponsored trips in the schools and programs operated by the County Superintendent of Schools.
