

Volume 2

Nov. 30, 2017

The Hall of Justice

December is when procrastinators finally get up the gumption to start the holiday shopping marathon. This month, the SDCOE Cybersecurity team wants to share practical tips on how to shop safely and provide technical insight into what is going on behind the browser screen.

"If you are going to get the best out of your online shopping activities without falling prey to criminals, you will need to take a few precautions."
[Read more](#)

"I'd like to share some simple techniques to help you keep the ho-ho-ho in this holiday season."
[Read More](#)

"Let my career experience help shed light on how retail scammers operate."
[Read More](#)

"The moment you are online and viewing a website, you are transmitting information from your computer to the web server and from the web server to your computer."
[Read More](#)

Tips

Every month, we will bring you some of the most useful tidbits of information with how-to guides, fliers, and links to some of our favorite cybersecurity resources, which can also be accessed on our [website](#).

- This month's **recommended website**: [StaySafeOnline.org](#)
- This month's **flier**: [Social Media in the Classroom: Do's and Dont's](#)
- This month's **cybertool**: [HTTPS Everywhere](#)

Quick Tip

Always look for the "S": When using a website where any of your personal or financial data may be used, be sure that the URL begins with "https", such as <https://www.mybank.com>.

Events

Our mission is to empower all of San Diego County to be cyberaware. Use our [online events calendar](#) to find out about awareness events happening each month.

- **Dec. 5**: Happy Half-Hour Discussion with the SDCOE Cybersecurity Team
- **Dec. 6**: Social Media for School Leaders: Twitter Safety Presentation
- **Dec. 7**: Cybersecurity Awareness Demonstration/Presentation at Morse High School

Security is everyone's responsibility.
