Work Plan of the Migrant Education Program school year 2021-2022 Dr. Carola Solano-Humerez.

Dr. Solano-Humerez, mentioned that from November 2, tutoring would begin for all students in the region. Which will end on December 4. In this tutoring it is contemplated to give services to 40 children per week in the schedule of 4:30 p.m. to 6:30 p.m. He also added that there would be several programs to help students apply for admission to universities.

EMPLOYMENT CENTER for Work CET: Dan Morales

Mr. Morales explained to parents that in CET there is training for students, even if they do not have the "High School" diploma. In order that they can develop in the field of medicine, construction or welding according to their vocation. In these 30-week programs. CET offers monetary gratification as well as free transportation. Also, graduate students of this center will be offered employment.
