## Health Referral Process

1. MEPA identifies student with health/dental ailment.
  - a. MEPA checks with school/district nurse or other agency for available resources to treat ailment. (Must be documented i.e email)
2. MEPA completes "Health Referral and Authorization Form" and submits to Program Secretary
3. Program Secretary obtains signature of
  - a. MEPA Direct Supervisor - Reviews that all available resources were exhausted before using Migrant Funds
  - b. Business Specialist - Verifies that the student is a Migrant Student and is eligible to receive services (MSIN), checks if budget is available and enters the maximum amount and date of service.
  - c. Director - Reviews services and ensure that the service is reasonable
4. Program Secretary enters a requisition for maximum authorized amount and provides a copy of the form to MEPA and notes the PO number on the form
5. MEPA provides form to a Parent/Provider
6. MEPA enters the services in MSIN when services are provided. Use the following codes depending on the service provided
  - Medical**
    - a. Medical Screening - 902
    - b. Medical Treatment - 904
  - Vision**
    - a. Vision Screening - 905
    - b. Vision Treatment - 907
  - Dental**
    - a. Vision Screening - 908
    - b. Vision Treatment - 910
7. Provider submits invoice along with signed original authorization form to MEP office.
  - a. Secretary receives invoice in PeopleSoft.
  - b. Invoice/Authorization form is forwarded to Accounts Payable for processing.
