Verification

Verification is a process in which Humboldt confirms the accuracy of information provided on the FAFSA. Verification is a federally mandated program to ensure accuracy in the administration of federal financial aid.

If you are selected for verification, Humboldt will notify you via your university email address. Submit the requested items promptly (within 45 days) or risk losing consideration for some financial aid programs. If you are required to provide your taxes, you can update your FAFSA using the IRS Data Retrieval Tool <https://studentaid.gov/resources/irs-drt-text>. If you are unable to use the Data Retrieval Tool, you must provide an official IRS tax return transcript. There are three options to get an official tax transcript: Visit www.irs.gov to request a transcript online or by mail; make sure to request an "IRS Tax Return Transcript." The "IRS Tax Account Transcript" cannot be used for verification purposes. Call 1-800-908-9946, Submit IRS Form 4506T-EZ, or IRS Form 4506-T. For more information, go to <https://finaid.humboldt.edu/verification>

Log in to your Humboldt Web portal <https://cas.humboldt.edu/> and review My Checklists or the Student Center "To-Do List" to view any necessary forms or documents that you need to submit to our office. Each item will include information on how to complete the requirement and the due date. Your financial aid will be on hold until all information being requested is received, reviewed, and processed. Additional information may be required and requested for submission in order to complete the verification process
