Enjoy the largest network
Visit a dentist in the Premier\(^1\) network to maximize your savings and enjoy access to the largest dentist network in the U.S.\(^2\) These dentists have agreed to reduced fees, and you won’t get charged more than your expected share of the bill.\(^3\) Find a Premier dentist at deltadentalins.com.

Set up an online account
Get information about your plan anytime, anywhere by signing up for an Online Services account at deltadentalins.com. Available once your coverage kicks in, this free service lets you check benefits and eligibility information, find a network dentist and more.

Check in without an ID card
You don’t need a Delta Dental ID card when you visit the dentist. Just provide your name, birth date and enrollee ID or social security number. If your family members are covered under your plan, they will need to provide your information. Prefer to take a paper or electronic ID card with you? Simply sign in to Online Services, where you can print or view your card with the click of a button.

Coordinate dual coverage
If you’re covered under two plans, ask your dental office to include information about both plans with your claim, and we’ll handle the rest.

Understand transition of care
Did you start on a dental treatment plan before your Premier coverage kicked in? Generally, multi-stage procedures are only covered under your current plan if treatment began after your plan’s effective date of coverage.\(^4\) You can find this date by logging in to Online Services.

Save with a Premier dentist

\(^1\) You can still visit any licensed dentist, but your out-of-pocket costs may be higher if you choose an out-of-network dentist. Network dentists are paid contracted fees.

\(^2\) NetMinder Dental Network Trend Report, March 2017. Delta Dental Premier is the largest dentist network nationwide, based on total unique dentists.

\(^3\) You are responsible for any applicable deductibles, coinsurance, amounts over plan maximums and charges for non-covered services.

\(^4\) Applies only to procedures covered under your plan. If you began treatment prior to your effective date of coverage, you or your prior carrier will be responsible for any costs. Group- and state-specific exceptions may apply. If you are currently undergoing active orthodontic treatment, you may be eligible to continue treatment under Delta Dental Premier. Review your Evidence of Coverage, Summary Plan Description or Group Dental Service Contract for specific details about your plan.

LEGAL NOTICES: Access federal and state legal notices related to your plan at deltadentalins.com/about/legal/index-enrollee.html.
In this incentive plan, Delta Dental pays 70% of the Premier contract allowance for covered diagnostic, preventive and basic services and 70% of the Premier contract allowance for cast and crown benefits during the first year of eligibility. The coinsurance percentage will increase by 10% each year (to a maximum of 100%) for each enrollee if that person visits the dentist at least once during the year. If an enrollee does not use the plan during the calendar year, the percentage remains at the level attained the previous year. If an enrollee becomes ineligible for benefits and later regains eligibility, the percentage will drop back to 70%.
