# LCAP QUARTERLY NETWORK MEETING

*Harnessing collective expertise for maximum impact*

## Facilitators

NANCY SEDGWICK,  
LCAP Director

KRISTINE SHIPMAN  
Executive Leadership Coach

Our LCAP Quarterly Network Meetings are designed to bring together LCAP district and charter leaders from across our county to share promising practices. SDCOE staff will facilitate the meeting, share updates from the California Department of Education, and provide LCAP samples and resources. Key topics will link the LCAP to promising practices for unduplicated students, State and Federal Accountability, and new requirements for Title I and Title III planning. The meetings will provide a consistent venue to engage with peers, and receive support on the process and writing of the LCAP.

### Participants will:

- Practice using the new California School Dashboard and connecting it to the LCAP
- Learn from specialists regarding promising practices for unduplicated students
- Develop ideas for promoting equity through the LCAP

**Audience** Open to interested in the LCAP – superintendents, district personnel, charter personnel, LCAP teams, principals, and others
