Deepen your understanding and ability to lead culturally responsive teaching, universal design for learning, and difficult equity conversations to accelerate learning for all students.

This year’s highlights include several featured speakers:

Keynote speaker **Zaretta Hammond**, author of *Culturally Responsive Teaching and the Brain: Promoting Authentic Engagement and Rigor Among Culturally and Linguistically Diverse Students*.

**Dr. Chike Akua**, author of *Education for Transformation*

**Dr. Nancy Dome**, founder and CEO of Epoch Education

**Carolyn Kaneda**, director of Education Partnerships at Teaching Excellence Network (TEN)

**Dr. Loui Lord Nelson**, president of RAISE, Inc.

**Horacio Sanchez**, author of *The Education Revolution, President of Resiliency, Inc.*
