## **School Accountability Report Card**

### **Reported Using Data from the 2019-2020 School Year**

#### **Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

Our mission at Friendship School is to provide appropriate special education and related services to students with disabilities in order to promote the development of each student's inherent abilities. We believe in individualized medical, therapeutic, and academic support to aide in each student's educational success, which can be achieved by using a collaborative approach for creating and maintaining a safe and healthy learning environment.

Friendship School is a five-classroom special education school operated by the San Diego County Office of Education. Friendship School serves students from within the South County Special Education Local Plan Area (SELPA). Located in Imperial Beach, Friendship School serves a maximum of 50 students ages 3 to 22 who have multiple/severe disabilities with health impairments. Each classroom is staffed by a special education teacher and two student attendants. Each teacher holds an education specialist credential-moderate/severe. All staff members are trained on specialized health care procedures by the credentialed school nurse. Class sizes range from eight to 10 students, with a best practice staff-to-student ratio of one adult to three students. Friendship School has a full-time registered credentialed school nurse, a part-time occupational therapist, a part-time speech and language specialist, a school psychologist, and a physical therapist for consultative services only.

At Friendship School, each student is continually evaluated by their teacher and related service staff to determine the most appropriate curriculum to meet their needs. An Individualized Education Program (IEP) tied to state standards is designed for each student. The IEP emphasizes functional skill areas, including language and communication development, social development, community interaction, daily living skills, vocational skills, and leisure/recreation. Students receive related services as needed, such as vision services, Deaf or Hard of Hearing services, occupational therapy, speech therapy, and assistive technology services.

Attainment Core Curriculum Solutions was adopted by Friendship School in fall 2015. The curriculum features rigorous, scientifically-based programs specifically designed for students with moderate-severe intellectual disabilities. The curriculum is based upon systematic instruction with a shared organizational structure. It provides scripted lessons to decrease teacher preparation time and increase teacher fidelity. The ongoing assessments capture data and document student achievement. The sequence of learning is educationally sound and developmentally appropriate. Teachers also have access to SANDI/FAST, which aligns assessment, access to grade-level standards, and rigorous research-based instruction in order to specifically target individual student strengths and needs. Teachers also have access to News-2-You, a weekly current events newspaper that provides a way for all learners to become connected to and engaged with the world around them. News-2-You provides the weekly newspaper in five reading levels.

## School Facility Conditions and Planned Improvements

Friendship School leases our facility from the South Bay Union School District. The school is located at 525 Third Street in Imperial Beach on the former West View Early Learning Center Campus. Security is bolstered by the presence of a resident security guard who lives on the property and inspects the property during nights and weekends to prevent vandalism and theft.

District maintenance and custodial staff members ensure that the school is clean, safe, and functional. Facilities are inspected daily by the Friendship School custodian to ensure that supplies are fully stocked and that everything is in full working order. Any needed repairs are addressed in a timely manner. Copies of inspections are available at the school and facilities offices. The custodian also performs a safety inspection on a monthly basis. The monthly report is submitted to the South Bay Union School District facilities office. Regular and preventative maintenance is ongoing. The South Bay district employs a computerized online work order system for efficiency and better record keeping.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Mathematics (grades 3-8 and 11)		N/A		N/A		N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

Friendship School encourages parental involvement because we believe that not only will the individual student benefit but the entire school will be more effective in its primary goal of teaching and learning. Friendship School provides parents with an opportunity to interact and communicate with the school about their students on a daily basis through a communication log that is sent back and forth from home to school or via email. Three times a month, Friendship School leaves campus for community-based instruction outings, which parents are encouraged to attend. Additionally, the school has monthly schoolwide activities in which parents are encouraged to participate. The schoolwide activities provide an opportunity for students to engage in activities that are found on a comprehensive campus. Parents are involved in the IEP process for their child and Friendship School facilitates the means of improving services and results through this collaboration. Friendship School offers a quarterly meeting, "Friendship and Family," which provides parents a forum to meet about different areas pertaining to their children and their educational needs. Meeting topics include SELPA resources for parents, San Diego Regional Center, understanding your child's IEP goals, assistive technology, and speech and language.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

Suspensions	0.0		2.5
Expulsions	0.0	0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

Friendship School has developed and continues to review its procedures for safeguarding the welfare of students and staff. Friendship School conducts monthly safety drills to practice quick responses to emergencies, such as fires, earthquakes, lockdowns, etc. The school safety plan has been updated for the 2020-21 school year and goals have been created to address the school's safety needs. The plan is available in the Friendship School office, at the South County SELPA office, and at SDCOE's Special Education office.

The Friendship School academic calendar includes two full days and 10 minimum days (early release Fridays) that are dedicated to staff development. Friendship School's professional development continues to be focused around the upcoming alternate assessment, the health needs of students with the most significant disabilities, and team-building. The minimum days are dedicated to provide the staff time to collaborate in teams and receive the latest training. Additionally, teachers are supported through in-class coaching and monthly teacher-principal meetings. For the 2019-20 school year, staff will be focusing on communication and sensory opportunities for students.
