Document Title: Local Plan - Section B: Governance and Administration

Individual LEA Complaint
A superintendent who disagrees with the contents of the Local Plan, a policy, a specific decision made by the Superintendents’ Council, or who experiences an inter-LEA disagreement, may present the issue to their respective Governing Board. Based upon procedures adopted by the Governing Board of each LEA, any individual may address their Governing Board. Each Governing Board has the right to initiate an appeal to the SELPA Appeals Board.

When a Governing Board initiates an appeal, a SELPA Appeals Board
shall consist of three members. The appealing Governing Board shall select one member and the Superintendents’ Council shall select one member. The third member shall be a mediator agreed upon by both parties. The Governing Board that initiates the appeal and the SELPA shall share costs of the mediator equally. If there is disagreement upon the selection of the third member, the Superintendent of San Diego County Office of Education shall appoint the third member, who shall not have prior relationship or bias with respect to the issue to be arbitrated.

The Superintendents’ Council shall select its representative on the Appeals Board by a majority vote.

Each member of the Appeals Board has one vote. Final decision must be approved by a majority vote (two) of the members of the Appeals Board. Decisions made by the Appeals Board are binding on both the appealing Governing Board and the Superintendents’ Council, except to the extent adjudicated by a State or Federal Court to be in violation of the Local Plan or State or Federal Law. A decision shall be made within thirty (30) calendar days of the appointment of the Appeals Board members. There shall be no action on the issue being appealed until after the Appeals Board has adjudicated it.

An LEA may appeal a decision of the Appeals Board to the appropriate court of competent jurisdiction.

Inter-LEA Complaint
If two LEAs are in disagreement and the respective Directors cannot resolve the problem, the following course of action will be taken:

1) Directors of the two opposing LEAs shall present the issues to each of their respective Superintendents (or Assistant Superintendents) who will attempt to resolve the issue. They may request assistance/consultation from the SELPA Administrator.

2) If the conflict cannot be resolved between the respective superintendents, either Director of one of the two opposing LEAs can present the issue in writing to the SELPA Administrator who, unless a longer time is agreed upon, will attempt to resolve the problem within two weeks. The written correspondence should specify the nature of the complaint and the requested action, if any. The Superintendents (or Assistant Superintendent) shall be kept informed of resolution efforts by their respective Director in writing.

3) If this course of action fails, either Superintendent, or designated Assistant Superintendent, may present a written request to the SELPA Administrator or Superintendents’ Council chair for placement of the
issue on the Superintendents’ Council agenda.
4) The Chair of the Superintendents’ Council shall place the item on the next Superintendents’ Council agenda. If the nature of the conflict requires immediate resolution, the Chair of the Superintendents’ Council will call a special Superintendents’ Council meeting.
5) The Superintendents’ Council may resolve the disagreement or refer the parties to the appeals process delineated in the local plan.
6) If the conflict involves a parental complaint, the parents may address the Superintendents’ Council.

6. A description of the process by which the SELPA will fulfill the obligations to provide free and appropriate public education (FAPE) to a student age 18 to 21 (or age 22 under the circumstances described in EC 56026(c)(4)) who has been incarcerated in a county jail and remains eligible for special education services:

The obligation to make FAPE available extends to those otherwise-eligible adults in county jail, age 18 to 21, who: (a) had been identified as a child with a disability and had received services in accordance with an IEP, but left school prior to their incarceration; or (b) did not have an IEP in their last educational setting, but had actually been identified as a child with a disability. (EC Section 56040)

It is the responsibility of the district of residence (DOR) to provide special education services and related services to an adult student in county jail who remains eligible for these services and wishes to receive them. The DOR is the district in which the student's parents resided when the student turned 18, unless and until the parents move to a new DOR. For conserved students, the DOR is based on the residence of the conservator. (EC Section 56041)
