Comprehensive School Safety Planning

PRESENTER:
Jim Crittenden, Program Specialist
Student Attendance, Safety & Well-Being - San Diego County Office of Education

This workshop will take an in depth look at the legal requirements for Comprehensive School Safety Plans (CSSP). Participants will be guided through the mandated development and annual review process, as well as a component by component look at each of the required CSSP elements. Participants will receive a copy of the SDCOE CSSP template, along with resources and tools to aid in the development of site specific plans.

Special attention will be given to strategies and resources related to the following topics:
- Identification & support of students with mental health concerns.
- Threat Assessment
- Mental Health Crisis Intervention
- Tactical information in the CSSP and public view considerations
- Incident Command
- Positive School Climate
