

Restorative Conflict Intervention

Presenters via Zoom:

Anthony Ceja, Jen Vermillion and Robert Ruiz

San Diego County Office of Education, System of Supports Department

Provide participants with the basic understanding of conflict and develop effective strategies to intervene while continuing to build trusting relationships. Topics will include:

- How to set positive expectations for self and others before conflict occurs.
- Develop skills to intervene restoratively during conflicts.
- Using Restorative Communication.
- Conducting restorative processes with humility

All virtual trainings free of charge. Registration required.
